<b>Date Effective</b>	11-August-2014
<b>Review Date</b>	11-August-2017
<b>Procedure Owner</b>	Executive Director, Campus Community
<b>Category</b>	Operational
<b>Version Number</b>	2.0
<b>Content Enquiries</b>	Campus Community
<b>Scope</b>	All campuses Crisis Management and Recovery Teams Local Emergency Response Teams
<b>Purpose</b>	To demonstrate the University's commitment and proactive approach to crisis planning. To establish an ongoing structure for the development and regular review and testing of a Crisis Management and Recovery Plan to be adopted across all University campuses, including Monash University Malaysia.  To provide information to the general University community on the University's approach to crisis management.
<b>PROCEDURE STATEMENT</b>	

### 1. Crisis Management and Recover (CMR)

#### 1.1 Organisational Structures

- a) In a crisis or emergency representatives of the University Senior Management Team (SMT) serve as the Crisis Management and Recovery Senior Management Team (CMR-SMT).
- b) It is supported by Crisis Management and Recovery Campus Based Teams (CMR-CBT) at all Monash University campuses.
- c) The CMR-CBT at the Clayton campus also acts as the Corporate CMR Operational Team (CMR-OPS). It:
  - manages the response and recovery to an event affecting the Clayton campus;
  - supports, reports to and takes strategic direction from the CMR-SMT; and
  - where activated, provides direction and support to all other CMR Campus Based Teams.
- d) The Corporate and Campus CMR Teams are supported by Local Emergency Response Teams (LERTs), each with designated Team roles and membership, in identified organisational units.

#### 1.2 Training

## Monash University Procedure

Members of all teams must be trained in all aspects of crisis management relevant to their roles and responsibilities.

### 1.3 Plans and Manuals

- a) Crisis Management Plans must be developed and documented in CMR Manuals for each University campus.
- b) CMR teams on each campus must meet at least annually to review the adequacy and currency of their crisis plans and must have a Crisis/Emergency Risk Management Assessment process to identify and drive responsive actions and processes.
- c) Team members must ensure that they are familiar with the content of relevant plans and manuals.

### 1.4 Specific Roles and Responsibilities of Teams and Members

The specific roles and responsibilities of CMR-SMT, CMR-CBT, CMR-OPS, LERT/s and individual team members are as detailed in the CMR Manuals and Local Emergency Response Plans provided, and accessible, to team members.

## 2. Full-Scale Crisis Simulation Exercises (FSCSE)

- 2.1 Crisis Management Plans must be tested with Full-Scale Crisis Simulation Exercises (FSCSE) held at corporate level every two years and all other plans annually.
- 2.2 Personnel and resources may either be fully or partially mobilised during an exercise and activities performed as if in response to a real crisis, or mobilisation may be simulated through functional and/or notional play by participants in a desk top or similar environment.
- 2.3 Exercises should generally be conducted in real time to help create the stresses that closely mirror real events.
- 2.4 A FSCSE may include single or multi-campus, multi-agency and/or multi-jurisdictional participation.
- 2.5 In all cases the exercise director must brief participants appropriately on exercise rules and boundaries prior to the exercise commencing.
- 2.6 In all cases an exercise debrief must be conducted with participants and a report completed.

## 3. Communication

- 3.1 A Crisis Management SMS Alert global e-mail to students and a Monash Memo article must be issued, and an SMS Alert test message sent to Students and Staff at all Australian Campuses annually.
- 3.2 A crisis management website must regularly updated to provide information on matters relating to crisis management and the key contact numbers on each campus.
- 3.3 The activities of the various campus CMR Teams and LERT/s must be coordinated and reviewed by the Crisis Team Coordinator.

## 4. Review

An annual review of crisis management processes detailed in the manuals must be conducted and a report made to the University's Audit Committee of Council as to the adequacy and currency of Crisis Management Plans at each campus.

<b>Responsibility for implementation</b>	Chief Operating Officer and Senior Vice-President Executive Director, Campus Community
