

STUDENT FEES & REFUNDS SCHEDULE – MONASH UNIVERSITY INDONESIA

SCOPE

This schedule applies to all students, and to all courses and units at Monash University Indonesia.

SCHEDULE STATEMENT

This schedule outlines the mandatory processes and practices required to implement and comply with the Student Fees Policy, for the setting and collection of tuition fees and other fees, refunding tuition fees, and fees discounts.

1. Determining tuition fees

- 1.1 The President, Monash University Indonesia recommends annual student fee rates to the Student Profile and Pricing Committee for approval by the Vice-Chancellor.
- 1.2 Tuition fees are determined annually with fee information provided on the [Monash University Indonesia website](#).
- 1.3 Tuition fees may vary depending on whether the student is a domestic student or an international student. Domestic students are Indonesian citizens or permanent residents (holder of KITAP / Kartu Izin Tinggal Tetap / permanent stay permit). A student is deemed to be an international student if they are not an Indonesian citizen or permanent resident.

Additional fees

- 1.4 A general amenities fee for non-academic services and student amenities may be charged. Any such additional fees will be outlined on the [Monash University Indonesia website](#) and in the Student Course Agreement.
- 1.5 Students must pay all additional fees associated with the delivery of their course, as advised in the Student Course Agreement and published on the [Monash University Indonesia website](#).

2. Payment of fees

Commencing students

- 2.1 Details of fees payable for accepting an offer of study will be provided in the Student Course Agreement.
- 2.2 Students will receive an invoice outlining fee amounts, due dates and payment methods via their Monash email address.
- 2.3 Any student who has obtained a scholarship, bursary or other discount will receive their statement of fees with the discount having already been applied.
- 2.4 If a student is receiving a sponsorship from a private or government organisation that covers all or part of a tuition fee, the student should also refer to the terms of the contractual agreement for prescribed payment methods. The tuition fee for the commencing teaching period and tuition fees for subsequent teaching periods will be invoiced to the sponsor on receipt of a financial affidavit or guarantee, in English.

Returning students

- 2.5 The University invoices students for fees for the next teaching period via their Monash email address.

Non-payment of fees

- 2.6 A fees reminder will be issued where there is an outstanding debt due to non-payment and the due date has passed.
- 2.7 A student will have their enrolment encumbered after a fees reminder is issued, where that student has an outstanding debt (including unpaid tuition fees, fines, or general amenities fees).

Encumbered enrolment

- 2.8 An encumbrance placed on a student's enrolment for non-payment of fees will result in restrictions to enrolment, as set out in the [Enrolment Procedure](#).
- 2.9 Encumbered students will be notified by email to their Monash student account of the impending invalidation of their enrolment if they continue to have outstanding debt.

Invalidated enrolment

- 2.10 Where a student continues to have outstanding debt after being encumbered, their enrolment will be invalidated for non-payment of fees. Monash University Indonesia will retain any tuition fees paid for the relevant course and/or teaching period, as outlined below in section 4, Refund of fees.
- 2.11 Invalidated students will have their enrolment cancelled as set out at 8.11.5 of the [Enrolment Procedure](#) and will not have access to their academic record.
- 2.12 Where an invalidated student wishes to obtain a transcript of their academic record without seeking to continue their course, a transcript will be issued when the outstanding debt has been paid. See 1.2 [Transcript of Academic Record Procedure](#).
- 2.13 When an outstanding debt and reinstatement fee have been paid, a student seeking to continue their course within the current teaching period can be reinstated if approval is granted by the President, Monash University Indonesia.
- 2.14 Invalidated students seeking to continue their course in a subsequent teaching period must apply directly to the President, Monash University Indonesia via mi.enquiries@monash.edu. The President, Monash University Indonesia will determine if the student may be admitted to the course in which the invalidation occurred, and the manner in which reinstatement may occur.

Fee payment extension

- 2.15 Students experiencing extreme financial hardship may submit a written application with supporting documentation via Monash Connect. Students will be notified of the outcome of their fee payment extension via email to their Monash student account.
 - 2.15.1 All fee payment extensions must conclude by the census date of the teaching period that the fees were charged for. Failure to accept or adhere to the extended payment due date will result in the student's enrolment being encumbered.

3. Family fee discount

Eligibility

- 3.1 Eligibility for a family fee discount is provided at section 4 of the [Student Fees Policy](#).
- 3.2 A student who has a family member(s) concurrently enrolled in a full-fee paying award course at the University may apply for a 10 per cent discount for each concurrently enrolled fee period, which will be granted to the family member with the highest tuition fee rate (per 48 credit points).

- 3.4 Students should contact Monash Connect to discuss an application for a family fee discount.
- 3.5 The family fee discount will be granted to the student with the highest tuition fees. Where tuition fees are equal, the family fee discount will be applied against the account of the student as nominated on the application form or at the discretion of Monash University Indonesia.
